We will have one ready. Also if you want to send us any materials in advance for printing we can do that as well.

Thank you again,

Monica R Sias

Good afternoon, Ms (b) (6)

I am very happy to hear that Mr. (b) (6) and his team will be available to speak to the GSA/NCR community it was a long shot considering the timing of the invitation so my sincere appreciation. We would have reached out sooner but furloughed was an impact.

We would like to hear how Arlington County is preparing for it's new business partner "Amazon" and the impact anticipated by their arrival on commercial rents, infrastructure, etc. There will be an audience of no less than 30 people in attendance comprised of leasing specialists and contracting officer, asset managers, business analyst etc.

The presentation will be held in Room 5643 at 301 7th Street, S.W. GSA's Regional Office Building. We

you arrive the guards will contact us or direct you to the location. If you have any difficulties please contact either me or Analiza.

If you have need of a projector for your presentation please advise so that we can make sure we are adequately prepared.

Looking for to a lively meeting,

All the best,

Monica

**Subject:** First Thursday Forum

Good morning (b) (6)

It was nice talking to you this morning. I'm reaching out to you to see if your group (Arlington Economic Development) is available to present on February 7th here at GSA's First Thursday Forum from 9:30am-10:30am. We would like to know about the impact of Amazon coming in your area and how are you preparing for it. The last time we had (b) (6) and his team was July of 2017. We would love to have them back. Please let me know if he is available for our February session.

Regards,
